

Dominican Republic Exporter Mission to Toronto
September 26-28, 2016

Are you seeking new tropical and exotic fruits and vegetables for your portfolio? B2B meetings available with Dominican exporters.

The Dominican Republic is the largest economy of Central America and the Caribbean and Canada's 7th largest trading partner in the Americas. This Caribbean country offers a variety of tropical and exotics products that benefit from the condition of Most Favoured Nation (MFN) under Canada's tariff structure, and many Dominican products may be imported into Canada under very low or zero tariffs. TFO Canada is pleased to introduce you to some of these high quality products in September 2016.

TFO Canada in partnership with Export and Investment Center of Dominican Republic (CEI-RD), Dominican Exporters Association (ADOEXPO) and Santo Domingo Chamber of Commerce (CAMARA SANTO DOMINGO) and the special collaboration of Junta Agroempresarial Dominicana (JAD) and The Caribbean Export Development Agency, are privileged to bring to Canada this export-ready group of Dominican fresh produce suppliers. Representing a wide selection of unique and highest quality Dominican Fresh fruits and vegetables including sweet potatoes, avocados, mangos, guineps, zapote, passion fruit, avocados, mangos, organic and fair trade bananas, eggplants, chilis, tomatoes, cucumbers, aloe vera, papayas, coconuts.
