

### **Honey with Chamomile**

Renowned for its mild sedative effects, Chamomile tea is usually considered a 'night time' tea that's said to give relief from insomnia and boost one's immune system.

*Ingredients: Lions Tea, chamomile flower and honey*

### **Tropical**

A healthy and refreshing blend, with its distinctive flavour and aroma from the infusion of a choice of fruits and flowers. Tropical tea creates a refreshing and uplifting tropical experience.

*Ingredients: Lions Tea, marigold flower petal, cornflower petal, papaya, raspberry, red cornflower petals*

### **Peach**

Infused with creamy notes of peach and just the right amount of sweetness for a delicious taste and delicate aroma, Peach tea refreshes your body and uplifts your mind.

*Ingredients: Lions Tea, peach flavour, peach particles, passion fruit, sas flower*

### **Honey**

Refreshing hint of honey creates a sweet, sublime drink, with a flavour that seems to linger forever as you sip a cool glass of Honey flavoured tea.

*Ingredients: Lions Tea, chamomile, honey flavour*

### **Strawberry**

Strawberry tea, with its succulent fruity sweetness and aroma, brings you the fresh taste of summer as you sit back and enjoy this inspiring and delicious drink that's served chilled.

*Ingredients: Lions Tea, strawberry flavour, original strawberry particles, rose petals*

### **Raspberry**

Traditionally known for balancing hormones and helping improve energy levels, raspberry is a delicious herb, that imparts its distinctive flavour to your favourite beverage.

*Ingredients: Lions Tea, raspberry flavour, sunflower, white cornflower, raspberry pieces*

### **Mango**

Mango, the quintessential tropical fruit with its luscious and delicious flavour, can be instantly invigorating, especially when it is blended with a truly great Ceylon Tea.

*Ingredients: Lions Tea, mango particles, mango flavour, marigold fruit, passion fruit pieces, mango pieces*

### **Black Currant**

While research suggests that black currant can improve the effectiveness of the immune system, the succulent flavour and soothingly sweet undertones can be absolutely uplifting with your tea.

*Ingredients: Lions Tea, black currant flavour, blue mellow flavour, raspberry pieces, cornflower petals*

# Forest & Chai Fruit
